

Sl No	Page No.	RFP Section	Tender Specifications	Change Request Statement	Remark from Bidder	TPSDDL Response
1	Annexure - I (Part -A)		12 U Wall mount rack with all mounting accessories (Includes 5A&15A dual type with 16A MCB / 08 pin DC Power strip with 20Amp MCB)	Kindly confirm Whether Commercial to be included For Both 5A&15A dual type with 16A MCB and 08 pin DC Power strip with 20Amp MCB) as the differential is quite high. Hence we request you to omit PDU from rack spec and create separate line items for both the PDU's. Also Kindly consider adding OEM Tata Tnnox		Price Included with rack
2	Annexure - I (Part -A)		Patch Cord CAT 6 Giga Speed 02mtr/3mtr. Long	Kindly confirm whether 2 Mtr or 3 Mtr Required. Else we suggest you to create Separate line of item for 2 Mtr and 3 Mtr Patch cords as the price varies.		You can consider 80% quantity for 2Mtrs and 20% for 3Mtrs as a separate line item.
3	Annexure - I (Part -B)		Fixing and dressing of patch cords and dressing of LAN racks (Fixing and dressing of patch cords and dressing of LAN racks (Preventive Maintenance, diagnostics))	Preventive Maintenance, diagnostics is post installation activity and it should be a separate item.		Preventive Maintenance is separate line item,
4	Annexure - I (Part -B)		Providing temporary LAN connection at various camps	Kindly confirm the exact SOW		SOW remain same for Temporary LAN setup
5	Annexure -VII		Passive Products	Kindly consider adding R&M and Commscope Brand which is a reputed good brand used by other Tata Group Companies like Tata Steel, ISWP, Tata Timplate etc . As these are the telecommunication products , hence the product should be follow TIA/EIA standards and the names should be visible in TIA/EIA website under membership category. Hence we would like to request you to consider these points.		No changes
6	Annexure -VII		PVC Channel/Conduit/ flexible pipe	Systemax/ Amp /Tycos/ D-Link / Tplink are not Manufacturing PVC Pipe. Suggested to go for Reputed ISI/SO Brands		OK
7				Requesting you to provide minimum product description to understand the correct product type required as per latest standards and customer's need.		As per line items specification/details
8				What is the process of design for Racks?		As per specification
9				Who will provide the approved design for racks?		TPSDDL
10				who will provide / approved layout for wiring diagram. During Drilling or Chizzeling the existing wiring inside the wall may get damaged.		Bidder/BA will provide and TPSDDL will approve
11				who will bear the expenses if any damages during the dismental and re-installation work due to existing product quality.		Bidder/BA
12		LAN passive items	Plug 8 Conductor Modular (RJ45 for CAT6) with socket cap	Plug 8 conductor modular (RJ-45 for CAT-6) with socket cap. Such product is not available. T1-45 modular plug will not come with any Cap. Kindly amend the same.		Specification remain unchanged
13		LAN passive items	Patch Cord CAT 6 Giga Speed 02mtr/3mtr. Long	it is mentioned as 2 mtr/3 mtr patch cord for a total quantity of 1500 units. Please specify the qty of 2 mtr and 3 mtrs as there is difference in pricing.		You can consider 80% quantity for 2Mtrs and 20% for 3Mtrs as a separate line item.
14		LAN passive items	Patch Cord CAT 6 10Giga Speed 10mtr. Long	it is asked to quote 10Giga speed CAT-6 patch cords. Please note that 10Giga speed refers to CAT-6A. hence, please amend from CAT-6 to CAT-6A or change from 10Giga to 1Giga CAT-6.		Please consider Cat 6A for 10G
15		LAN passive items	Patch Cord CAT 6 10Giga Speed 15mtr. Long	it is asked to quote 10Giga speed CAT-6 patch cords. Please note that 10Giga speed refers to CAT-6A. hence, please amend from CAT-6 to CAT-6A or change from 10Giga to 1Giga CAT-6.		Please consider Cat 6A for 10G
16		LAN passive items	CableCAT6 LSZH class Size 4Core[1BOXx305Mtr]	you had asked for CAT-6 LSZH class size 4 core. Please note that CAT-6 LSZH cable is available in 8-core (4 pairs), kindly amend the specifications accordingly.		OK
17		LAN passive items	24 Port CAT 6 Patch Panel fully loaded	Please confirm if panel need to support 4PPoE as per latest IEEE 802.3bt (type 4) standard.	Please consider amended description as: "24 Port CAT 6 Patch Panel fully loaded, UL listed, ETL 4 channel certified, compliant to IEEE 802.3bt (type 4) for 4PPoE transmissions."	Specification remain unchanged
18		LAN passive items	48 Port CAT 6 Patch Panel fully loaded	Please confirm if panel need to support 4PPoE as per latest IEEE 802.3bt (type 4) standard. Also please consider min UL and ETL listing for the panel for consistent performance.	Please consider amended description as: "48 Port CAT 6 Patch Panel fully loaded, UL listed, ETL 4 channel certified, compliant to IEEE 802.3bt (type 4) for 4PPoE transmissions."	Specification remain unchanged
19		LAN passive items	Keystone Jack CAT 6 (I/O)	Please confirm min current rating and electrical transmission compliance of the Jack. Please confirm the min 3" party certification of the jack to relevant industry standards.	Please consider amended description as: "Keystone Jack CAT 6 (I/O) ETL/Intertek certified to IEC 60603-7 and ANSI/TIA 568.2-D, with min 1.5A current rating compliance to IEC 60152-99-002 for safe electrical transmission."	Specification remain unchanged
20		LAN passive items	Patch Cord CAT 6 Giga Speed 01mtr. Long	Please provide the minimum acceptable jacket type and listing for the patch cord. What should be performance specification of the patch cord, kindly specify, since patch cords are the weakest link of any CAT6 channel. Hence poor performance of the cords would affect the entire cabling channel.	Please consider amended description as: "Patch Cord CAT 6 Giga Speed 01mtr. Long, LSZH UL 1863 listed, Intertek certified performance under 6 connector channel."	Specification remain unchanged
21		LAN passive items	Patch Cord CAT 6 Giga Speed 02mtr/3mtr. Long	Please provide the minimum acceptable jacket type and listing for the patch cord. What should be performance specification of the patch cord, kindly specify, since patch cords are the weakest link of any CAT6 channel. Hence poor performance of the cords would affect the entire cabling channel.	Please consider amended description as: "Patch Cord CAT 6 Giga Speed 02/03mtr. Long, LSZH UL 1863 listed, Intertek certified performance under 6 connector channel."	Specification remain unchanged
22		LAN passive items	Patch Cord CAT 6 Giga Speed 05mtr. Long	Please provide the minimum acceptable jacket type and listing for the patch cord. What should be performance specification of the patch cord, kindly specify, since patch cords are the weakest link of any CAT6 channel. Hence poor performance of the cords would affect the entire cabling channel.	Please consider amended description as: "Patch Cord CAT 6 Giga Speed 05mtr. Long, LSZH UL 1863 listed, Intertek certified performance under 6 connector channel."	Specification remain unchanged
23		LAN passive items	Patch Cord CAT 6 10Giga Speed 10mtr. Long	Seems 10Giga is a misprint for CAT6 patch cord. For 10G CAT6A patch cords are required. Please confirm and amend this description.		Please consider Cat 6A for 10G
24		LAN passive items	Patch Cord CAT 6 10Giga Speed 15mtr. Long	Seems 10Giga is a misprint for CAT6 patch cord. For 10G CAT6A patch cords are required. Please confirm and amend this description.		Please consider Cat 6A for 10G
25		LAN passive items	CableCAT6 LSZH class Size 4Core[1BOXx305Mtr]	CAT6 cables are with 4 pairs not cores. Seems this is misprint. Please amend this and mention the minimum electrical and performance specification for the CAT6 cable.	Please consider amended specification as: "CableCAT6 LSZH class Size 4 pair, 23 AWG, [1BOXx305Mtr], IEC 332-3, IEEE 802.3bt type 4 compliant, 600MHz, 6 channel certified performance, <7.61Ohm DC resistance	OK
		Qualification Criteria	The bidder should have executed similar works for cumulative Rs. 10 Crore or a single order for Rs. 4 Crore or 2 orders each for Rs. 3 Crore or 3 orders each for Rs. 2 Crore during last 3 years. Copy of work order / completion certificate to be submitted in this regard. Last day of previous month prior to date of bid submission shall be counted for purpose of years calculation.	Kindly amend this as The Bidder should have executed similar works for cumulative Rs.2 Crore . Copy of work order/Completion certificate to be submitted in this regard.		Tender condition shall prevail
		Qualification Criteria	The Bidder should have Average Annual turnover of at least Rs. 10 Crore for any of last 3 Financial Year (FY) out of FY 18-19, FY 19-20, FY 20-21, FY 21-22. (Copy of audited Balance Sheet and P&L Account to be submitted in this regard).-	Our turn over is 2019-20-93 lacs, 2020-21-34 lacs, 2021-22-10 lacs		Tender condition shall prevail
		Qualification Criteria	The bidder should either be an OEM for supply items or an authorized channel partner of OEM. Self-Certification for OEM shall be submitted in this regard. In the case of Authorized channel partner, they shall submit the certificate from OEM.	Will submit the authorisation letter from OEM for the supply of all materials along with all other technical docs.		Please refer Corrigendum-1
		Qualification Criteria	The bidder should have a cumulative laying of LAN Cable experience for at least 2km anywhere in India in reputed organizations in the last 5 years. PO copies along with completion certificate to be submitted in this regard	1.8km laid for smart City Server room on behalf of Qardzen Wireless Ltd		Tender condition shall prevail
		Qualification Criteria	The bidder should have executed similar works for cumulative Rs. 10 Crore or a single order for Rs. 4 Crore or 2 orders each for Rs. 3 Crore or 3 orders each for Rs. 2 Crore during last 3years. Copy of work order / completion certificate to be submitted in this regard	Single order value> 50 lacs, Completion certificate will be submitted along with other docs.		Tender condition shall prevail
		Tender Document Sr. No. 1.7 Qualification Criteria Clause No. 2	The bidder should either be an OEM for supply items or an authorized channel partner of OEM. Self-Certification for OEM shall be submitted in this regard. In the case of Authorized channel partner, they shall submit the certificate from OEM.	We believe that this clause is no longer necessary for this tender, therefore we request you to kindly remove this clause from the tender documents.		Not applicable (Please refer Corrigendum-1)
		BOQ - Annexure - I , Part A: Supply Items: Sr. No. 22 & 23	2.5 Sqmm 03 Core Copper Power cable with required lugs	Please provide technical details of this tender like whether the cable should be armored or normal and lugs type.		Normal power cable with Pin & Ring type lugs
