

Corrigendum No. 1

11-05-2023

Tender Enquiry No. - TPSODL/OT/2023-24/012

Work Description- Rate Contract for Site Survey, Revenue Recovery & Disconnection Activity of ECL Category Not Paid consumers across all circles under TPSODL.

1. Clauses / Sections of the Tender are revised as mentioned below:

i. Section No. 1.7 Qualification Criteria of the Tender (Pg. No. 5)

S/N	Existing Clause	Revised Clause
1	<p><u>VII. Subcontracting</u> a. Sub-contracting shall not be allowed for Survey & Collection. However, BA may subcontract only Disconnection part of work, as it deems appropriate. BA shall require its subcontractors to comply with all applicable terms and conditions of this Agreement/tender in providing such services and bidder shall remain primarily liable for the performance of such subcontractor.</p> <p>b. Bidder shall appoint the subcontractor only with EIC's prior written approval. Safety Evaluation of the subcontractor shall also be done by Head-Safety of TPSODL.</p> <p>c. Subcontractor is also required to comply with the technical capabilities including valid ELBO License and expertise for execution of similar works.</p> <p>d. Undertaking along with name of the Sub-Contractor in this regard has to be submitted by BA.</p>	<p><u>VII. Subcontracting</u> Sub-contracting shall not be allowed. Undertaking in this regard has to be submitted by BA that all the activities under this contract shall be solely executed by the Bidder without Sub-contracting.</p>
2	<p><u>VIII.</u> The bidder should have Valid Electrical Contractor License issued by ELBO (if Bidder is not going to appoint any Subcontractor for Disconnection job). In case bidder is not having this License, Bidder shall submit an undertaking that in case they are the successful bidder, same shall be obtained by them and shall be submitted to TPSODL within 15 days of order/LOI award. In case the said license is not furnished within 40 Days from the issue of Order, TPSODL has the right to cancel the Rate Contract without any intimation to the BA.</p>	<p><u>VIII.</u> The bidder should have Valid HT Electrical Contractor License issued by ELBO. In case bidder is not having this License, Bidder shall submit an undertaking that in case they are the successful bidder, same shall be obtained by them and shall be submitted to TPSODL within 15 days of Contract/LOI award. In case the said license is not furnished within 40 Days from the issue of Contract, TPSODL has the right to cancel the Rate Contract without any intimation to the BA.</p>
3	<p>Note: The evaluation of Bidder's / its Sub-Contractor's safety capability with evaluation of safety bid is part of qualifying requirement for participating in this Tender.</p>	<p>Note: The evaluation of Bidder's safety capability with evaluation of safety bid is part of qualifying requirement for participating in this Tender.</p>

4	Rest of the clause of 1.7 Qualification Criteria of the Tender	Shall remain unchanged
---	----------------------------------------------------------------	------------------------

ii. Section No. 2 Evaluation Criteria of the Tender (Pg. No. 8)

S/N	Existing clause	Revised clause
1	<p>2. The bids will also be evaluated on Safety Parameters as mentioned in annexure-AA of the tender. Bidders have to submit all the documents related to safety bid.</p> <p>Note: If the Bidder is going to execute the disconnection work, Safety bid of the Bidder will be evaluated or else safety bid of its sub-contractors will be evaluated.</p>	<p>2. The bids will also be evaluated on Safety Parameters as mentioned in annexure-AA of the tender. Bidders have to submit all the documents related to safety bid.</p>

iii. EMD value mentioned in Pg. No. 4 of the Tender:
