15		Scope for Advance Payment or Supply Material payment	As this is a government project involving two departments, Forest and TPSODL, it takes a significant amount of time for cost realization and bill processing. This project requires a substantial investment. TPSODL should consider making provisions for advance payments against ABG or payments for supplied materials after PDI.	Tender conditions to be complied.
16		Invoice processing Method	Are the invoices for this project processed through SIGITEK at the ground level? Will officials like JE, SDO, or EE process them through SIGITEK, or do we need to move from desk to desk to obtain signatures from the concerned authorities ?	Work completion and Joint Measurement Sheet are to be signed by Field officials along with Forest authorities/DFO for processing the invoices in sigitek centrally at corporate level.
17		Scope for Electrical Inspection Charges	Regarding Electrical Inspection Charges, we are required to pay challans for both drawing approval and site inspection at each location. Due to the high cost involved, we request that TPSODL bear/reimburse the expenses for these challans	As per SLA/Scope of work of Tender Documents
